## THE PROGRAM

### 1. Day

### Rio de Janeiro

Whoever comes to Rio de Janeiro may take months in this city without getting bored. Many tourists come to Rio to see our famous beaches, long and full of life. The most famous of them is Copacabana Beach with its 6 Km long and Ipanema the most fashionable of them all. And the longest among them all is Barra da Tijuca with its 18 Km. The city of course has

much more to offer. Places like the Pão de Açúcar (Sugar Loaf), mainly during sunset, to the Corcovado and Cristo Redentor, the mountain (709m) in which we find the famous statue of Christ the Redeemer and to the Tijuca National Park (the largest rainforest inside urban area in the world) make of Rio a unique city !! Interesting are also a stroll in the downtown area with the Avenida Rio Branco or to seat in one of Rio's many street cafes, for a coffee, a beer or for a caipirinha (Brazilian National Drink, made of lime, sugarcane sugar, ice cubes and cachaca) with the songs of Samba, Chorinho or Bossa Nova in the background !! Of course we can not forget to mention its wonderful restaurants with exquisite cuisine from all different Brazilian regions: one of the highlights of a visit to Rio de Janeiro.

Arrival in Rio de Janeiro international airport, meet and greet by our bilingual speaking guides and transfer to your hotel. Upon arrival we will have a separate check-in area at hotel and a samba trio will take care of the entertainment during check-in. A welcome caipirinha, as well as batidas and soft drinks are included during check-in. A welcome banner with company name and LOGO will be placed at check-in area in hotel.

At 1PM we will depart hotel for an orientation citytour. We will drive straight to downtown and visit Maracana Stadium. There we will hear from our guides the fascinating stories of Brazilian Football and about the international legendary matches that happened in this which is called the sacred temple of football. Then we will cross Guanabara Bay along the 14 Km long Rio/Niteroi bridge and get back to Rio by ferryboat, enjoying the awesome view of Rio de Janeiro skyline. Getting back in Rio we will visit the Botanical Gardens with its variety of exotic plants and trees.

Dinner at hotel

### 3. Day

### Rio de Janeiro

9: 30 Depart for citytour by Jeep with visit to the famous **Corcovado**. We will pass along the beaches and drive up to Corcovado mountains entering Floresta da Tijuca.

Our suggestion: Along the way an ambulance will ask for assistance (apparently they have an engine problem), as the group approaches to help, a samba group gets out of the ambulance and makes a carnival part on the streets of Tijuca Forest. Cairipinha is included.

After Corcovado visit we will have lunch at Barril 1800 Restaurant on Ipanema beach. Passengers will have the chance of enjoying this wonderful and fashionable beach for the rest of the afternoon. Rest of day at leisure until evening.

In the "Land of the Falls", it is possible to take in the splendor of the native and man-made forests, rivers and lakes, and still in this ecological paradise, have the opportunity to shop for the most varied products, not only in Iguassu Falls but in Ciudad del Leste (Paraguay) and Puerto Iguacu (Argentina) as well.

Arriving on the river banks we will board specially built motorboats that will take us upstream the nearest possible under the thundering waterfalls. Return to hotel.

Welcome Dinner tonight is at a typical restaurant with folklore show presenting dances and rhythms of this three borders region. The Tango presentation is unforgettable.
